

MEMBERS' RECIPROCAL ARRANGEMENTS

This agreement is made between East Sussex National & Singing Hills Golf Course and is effective from 1st APRIL – 31st MARCH EACH YEAR (subject to change)

Full Adult Members can play free of charge at the other's course but tee times are offered **strictly subject to availability** Monday – Friday **ONLY**, 10.00am onwards, with reciprocal tee times being allocated by the relevant club.

Singing Hills members can play either the East or West course at ESN; ESN members can play any 18 hole combination of the Lake 9, River 9 or Valley 9 at Singing Hills

Restrictions:

Applicable only to **'Full Adult members' who are paying the full annual subscription applicable for their category in any given year**, i.e. Summer only (SHGC), Country or other types of membership are excluded.

A limit applies of 12 rounds per member per calendar year.

Reciprocal rights are not guaranteed, are strictly subject to availability and, during busy months, only off peak times may be available on a reciprocal basis i.e. afternoon rounds.

Reciprocal rights are not applicable to members joining part way through a subscription year on a pro-rata basis. Mid year joiners qualify from the beginning of the following subscription year.

Members may introduce one guest per member per round when taking up the reciprocal arrangement but the guest must pay the full green fee and not a member's guest rate.

Conditions:

Phone the Golf Shop for reciprocal tee time availability up to **6 days in advance** of required date of play. No earlier bookings will be allowed.

Quote your membership number when making the booking, which will be verified with the home club.

England Golf CDH card or current handicap certificate plus photo ID are required on check-in at the Golf Shop prior to commencement of play at both clubs or play will be refused.

Only one "live" booking can be made at any one time, i.e. a fresh booking cannot be made until the prior booking has been played.

PLEASE NOTE: Any member found to be abusing the Reciprocal Rights Agreement will have this privilege immediately withdrawn.
