

Seasonal 9-Month Golf Memberships

East Sussex National has introduced a seasonal membership categories for full and 5-day golfers.

It is hoped that this new category will make provision for the vagaries of the winter weather in the UK, which can limit the amount of golf available due to course closures, combined with restrictions on trolley & buggy usage on areas or saturated or flooded ground.

This new membership category will cover the period from 1st April to 31st December and does not include reciprocal golf at Singing Hills GC.

There is no golf bag, locker or trolley storage included in this membership.

During the period of January to March, members in this category will switch to Social Membership with no golfing privileges, but you can still play the courses on payment of a full green fee. (no guest rates available).

2026 Membership Fees:-

(with an option to transfer to full with payment of difference in subscriptions £325).

- **Full Seasonal (April to December) £1,833**
- **5-Day Seasonal (April to December) £1,325**
