

Member Rules for the use of the Par-3 course are below:-

- Winter Par 3 Tees will only operate after a restriction on trolleys has been introduced and carry only is deemed no longer suitable due to ground conditions.
- You will be advised via the website which tees are in operation. (i.e short holes today are holes 1,5,9,11 & 17) website / ClubV1 update
- Play will be strictly prohibited from the grass tees on closed holes, tee markers will be removed.
- Play on the winter course is permitted with the express permission of the golf shop.
- Please observe all signs and repair all pitchmarks.
- Groups must alternate on 1st & 10th Tees.
- Anyone playing the par 3 golf course has no standing on the course over golfers playing the normal layout and must wait to be called through.
- Players not using buggies are asked to allow groups using buggies to pass at convenient times on the course or use the West course to avoid interference.
- Golfers may play the course between October & March with permission from the golf shop.
- Summer use – evenings only or with the express permission of the golf shop.
